

Amendments to the Drawings

Replacement drawings are submitted herewith.

REMARKS

Applicant thanks the Examiner for the allowance of Claims 3-5, 7-9, 11-13, 18, and 19.

Claim 23 is amended to correct the typographical error noted by the Examiner. Claims 20 and 21 are cancelled. Claim 22 is amended so as to depend from Claim 23. Applicant considers that Claim 23 is generic to the embodiments of Figures 1 and 6. In this respect Claim 23 does not mention the disposition of the canopy in a stowed position. The stowed disposition of the canopy is the subject of the dependent claims including allowed dependent Claim 3 that recites the canopy is stowed in a roll and dependent Claim 9 that recites the canopy is stowed within the footprint of the golf cart roof. Dependent Claim 22 merely adds structure that further defines the frame for storage of the canopy in the footprint of the roof.

In view of the above amendments and comments, Applicant considers that the claims are in condition for allowance, which action is respectfully requested.

Respectfully submitted,

Dated: December 7, 2006
